## PROJECT

### Project - 1

#### Nostra E-Commerce

*(HTML, CSS, JavaScript)*

- Developed a responsive e-commerce website "Nostra E-Commerce" using HTML, Tailwind CSS, and JavaScript.
- Implemented advanced search functionality to enable users to easily find products based on keywords.
- Designed and integrated checkbox filters for refining product searches by categories, enhancing user navigation.
- Ensured cross-browser compatibility and mobile responsiveness, optimizing the site for seamless user interaction across devices.

### Project - 2

#### Perfumy

*(HTML, CSS, ReactJS)*

- Developed a responsive e-commerce website "Perfumy" using React, focusing on component-based architecture.
- Designed responsive UI components for optimal user experience across different devices, utilizing CSS
- Implement hover animations on product cards, using CSS transitions like color changing for enhanced visual feedback
